Service: 93121-45109 [service@satyamzone.com](mailto:service@satyamzone.com)

# SATYAM PREMIUM EXHAUST EXTRACTION SYSTEM

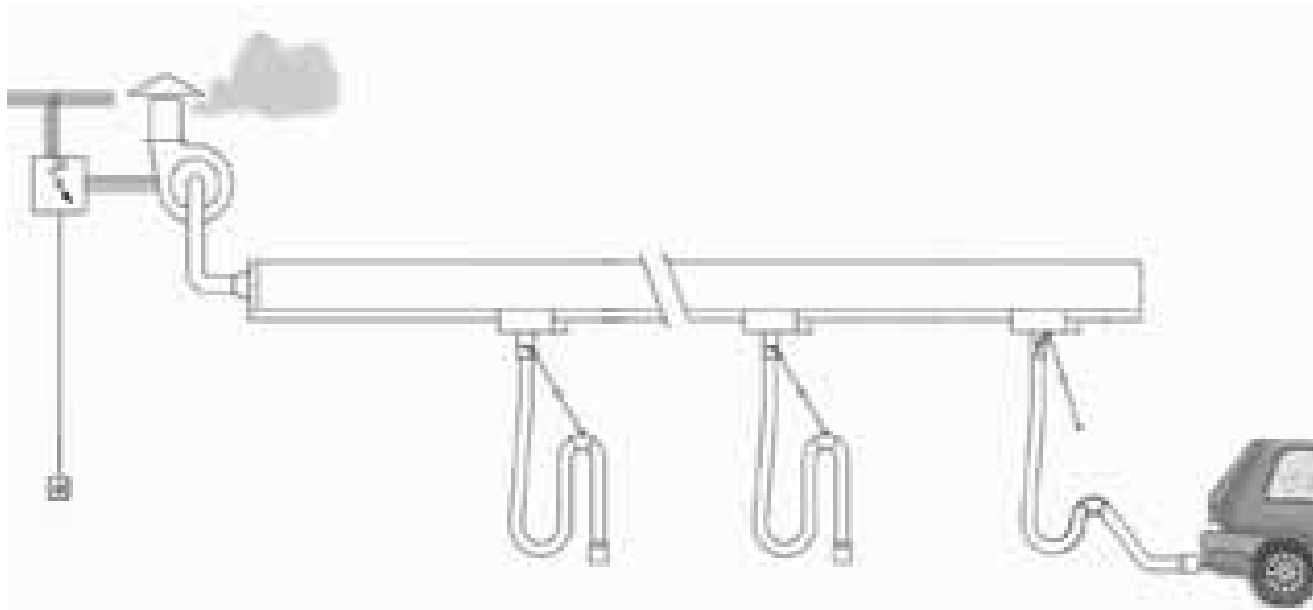

# WHY DO WE NEED AN EES?

- The vehicles need to be start, while servicing on shop floor, to check and set different performance parameters.
- This creates a smoky atmosphere in the workshop even after having proper ventilation system.
- The exhaust smoke contains various harmful gases such as carbon monoxide, nitrogen oxides, carbon dioxide, ozone, particulate matter (soot) and hydrocarbons.
- The inhalation of vehicle emissions massively affects your health.
- It may cause irritation of eyes and airways, coughing, shortness of breath etc.

- Exhaust extraction system (EES) is the solution for the workshops and helps in creating better atmosphere for workshop staff by extracting the vehicle exhaust, directly from vehicle to release in open atmosphere.

Schematic Representation of Working of an EES

Mega Power Blower Unit  
with Stand

Main PVC Pipeline

Tapping Attachment with  
High Temperature Hose

## COMPONENTS

Mega Power make  
Support and Connectors

Mega Power make  
Silencer Holder

Mega Power make  
Silencer Holder (to cater  
double silencer- Optional)

Mega Power make  
Specialized Y- Connector  
(to cater double silencer-  
Optional)

# Key Benefits

- Creates Smokeless atmosphere in bay
- Improves health of workshop staff
- Increase productivity
- Improve workshop aesthetics
- Promotes Go Green initiative
- Contribute towards 'Swacch Bharat Abhiyaan'

# MEGA POWER PREMIUM EES

- More than 100 installations have been carried out so far for the system.
- This system has been approved by:
  - Maruti Suzuki India Limited
  - Hyundai Motors India Limited

**SATYAM- PREMIUM EES CLIENTS – HYUNDAI MOTOR INDIA LIMITED  
TRAINING CENTRE, AHMEDABAD**

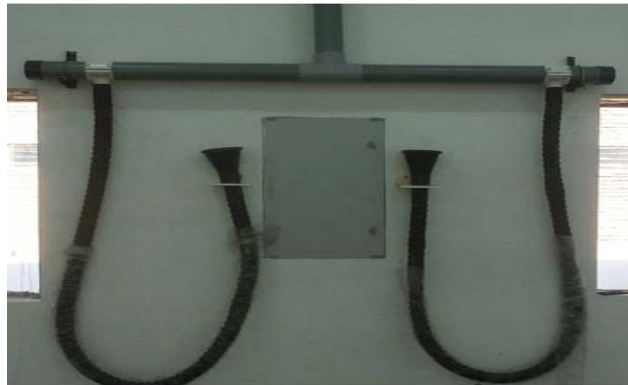

## SATYAM- PREMIUM EES CLIENTS

MILE Institute, Noida

HMIL Institute, Mathura Road

Sparsh Chevrolet, Dwarka

Saya Auto, Azadpur

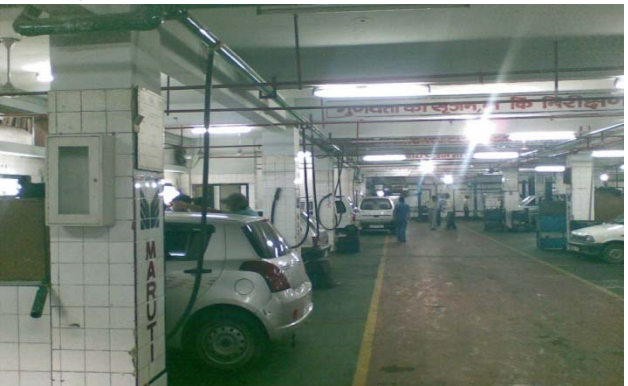

Hyundai Motor Plaza, Delhi

Honda Dealership

Advaith Hyundai Dealership

D.D. Motors, Maruti Dealership

MSM, Maruti Dealership, Okhla

# SATYAM EES WITH HOSE REEL

- This system has spring driven hose reels that makes the system more flexible.
